PROJECT

GO

📅 06/2022 - 07/2022   📍 Delhi

Details :

- Description - I used in this project HTML, CSS, javascript, Bootstrap (icons, faq section and navigation bar section) PHP and MySQL database, reusable codes .
- In this project you will see different different designing and templates layouts and few restrictions inside Navigation bar links, you have to sign up for seeing the another project.
- Update - sign up, sign in and also log out and few more things.
- I also created few more projects you can see after sign up .
- And the last one is my portfolio website i also created this .
